ENROLMENT POLICY

PURPOSE

This policy will outline:

- The criteria for enrolment at **Box Hill South Preschool Inc.**
- The process to be followed when enrolling a child.

Note: Once a child has received an offer, allocation to groups within the programs is outlined in the Policy for the Ballot Process as a Means of Group Allocation

POLICY STATEMENT

1. Values

Box Hill South Preschool Inc. is committed to:

- Equal access for all children
- Meeting the needs of the local community
- Complying with the Children's Services Regulations 2009 (CSR)
- Complying with the DEECD funding requirements relating to the enrolment of children in government-funded kindergarten places
- Maintaining confidentiality in relation to the details on enrolment forms.

2. Scope

This policy applies to the committee, staff and parents/guardians who wish to have their children enrolled, or have child/ren already enrolled, at the **Box Hill South Preschool Inc.**

3. Background and legislation

The Children's Services Regulations 2009 (CSR) require licensed services to have available information about admission requirements and enrolment procedures (CSR r41). It is intended that all eligible children will have access to a year of kindergarten before school; however, a shortage of places in some areas can cause problems and limit choices for parents. Where there is a higher demand than places available, a priority of access must be determined by the committee in order to allocate the places.

The criteria used by centres to determine the allocation of places vary from centre to centre, but they are generally based on a centre's philosophy, values and beliefs. Centres participating in central enrolment schemes are required to comply with the enrolment procedures of the scheme.

Relevant legislation may include but is not limited to:

- *Children's Services Act 1996*
- Children's Service's Regulations 2009 (CSR)
- *Disability Discrimination Act 1992 (Cwlth)*
- *Equal Opportunity Act 1995 (Vic.)*
- *Human Rights and Equal Opportunity Commission Act 1986 (Cwlth)*
- *Sex Discrimination Act 1984 (Cwlth).*

4. Definitions

Allocation into groups:** The process of sorting acceptances of offers into specific groups (e.g. for 4 year olds, Kangaroos and Koalas) based on parent/guardian preferences and a ballot draw if deemed necessary.

Children with additional needs: Children whose development or physical condition needs specialist support, or children who may need additional support due to language, cultural or economic circumstances.

Deferrals: A child who does not attend in the year when the child is eligible for a funded kindergarten place, or officially withdraws from a centre prior to the end of Term 2. These children are considered by DEECD not to have accessed a year of funded kindergarten, and are therefore eligible for DEECD funding in the following year.

Department of Education and Early Childhood Development (DEECD): The state government department responsible for the funding, licensing and regulation of children's services in Victoria.

Eligible child: Child who meets the criteria outlined in the *Victorian Kindergarten policy, procedures and funding criteria*.

Enrolment application form: A form to apply for a place at the centre.

Enrolment application fee: The amount charged to cover administrative costs associated with enrolling a child at the centre.

Enrolment form: A form that collects details regarding individual children. This is completed after a place has been offered by the centre and accepted by the applicant.

Fees: The amount charged to attend a program at the centre.

Guardian: Person/s who have been granted lawful authority by a court order for child/ren. The definition of 'guardian' under the Children's Services Act 1996 also means a person who has custody or control of the child but does not include a person providing children's services to a child.

Kindergarten: Kindergarten (sometimes known as preschool) is a universal early childhood program, funded by the state government, for children in the year prior to commencing primary school. It may also include an unfunded program for three-year-old children (two years before school).

Lawful authority: A power, duty responsibility or authority conferred in relation to a child at common law or under an Act or by an order of a court.

Offer of places: Where a family receives an offer of a place in 3 or 4 year old preschool, non-group specific, and the family is required to accept or decline that place and indicate which group (e.g. for 4 year olds, Kangaroos or Koalas) they would prefer.

Siblings: Sisters and brothers by whole or half blood, adoptions or by marriage, including de facto or to whom foster care is provided by a parent (including an adoptive parent) or guardian of the first mentioned child.

Vacancy: A place in a program that becomes free as a result of a child leaving the centre, or is available because all places are not filled.

Vacant funded place: A government-funded place at the centre from which a child has withdrawn.

Waiting list*:** Refers to the list of applications received via WPSA for enrolment at Box Hill South Preschool Inc. Separate waiting lists are kept for both three and four year old groups.

Step 1. Each applicants address is allocated to their respective zone. Google Map™ is utilized to locate address within Zone.

Step 2. Once all applicants are allocated to a zone, the date of application criteria is applied to further sort applicant.

OFFER OF PLACES PROCEDURE

1. Offer of places for both three and four year old preschool will be made in Term 3 (July and August respectively) of the preceding year. All placement offers will be made in writing.
2. All parents/guardians are advised that if they plan to be away when offers are made, they must contact the Box Hill South Preschool Enrolment Officer and leave a forwarding address.
3. Notification in writing (ie. the return of Box Hill South Pre School's official Enrolment paperwork) of acceptance of the offer must be made by the parents/ guardians promptly

within the specified time. If no acceptance is received, the place will then be offered to the first child on the waiting list.

This fee acts as a deposit and is deducted from Term four fees. If a child does not start until 2nd term, or other agreed time, a holding fee, non-refundable, must be paid upon allocation of group (see our Fees Policy for full details).
5. Allocation into Groups** (see definitions)

Where the service provides more than one four and/or three year old group, places within the groups will be allocated, wherever possible, in accordance with parents/guardians indication of preferred group, and according to the ballot draw (where demand exceeds places available). The selection criteria (mentioned earlier) are not used to allocate into groups.

(Refer to Policy for Ballot Process as a means of Group Allocation and the Summary of Ballot Process)

Where parents/guardians believe special circumstances apply, it is their responsibility to inform the Enrolment Officer or a relevant Committee member (Executive) promptly. Information provided will be kept confidential.

6. In exceptional circumstances the Committee may grant a place to a child irrespective of the enrolment criteria. The parent would need to submit a written case to the Committee for review.

DEFERRMENTS AND REPEATS

1. Children who are on the waiting list*** (see definitions) for either three or four year old preschool, but defer until the next year, will be promoted to the top of the waiting list for an offer of a place for the following year. They must, however, go through the usual process of re-enrolment. Accordingly, allocations into particular groups cannot be guaranteed based on any previous enrolment/s, but relies on a prompt response by parents/guardians at the time offers of places are made and a ballot draw.
2. Children who the teacher has recommended an additional year of the 3 year old programme will be granted a place automatically in the 3 year old programme at Box Hill South Pre School.

There is no guarantee of a second year of three year old kinder. However, a child who is assessed as requiring a second year of 3 year old preschool may be offered a place following developmentally appropriate assessment with the teacher.

3. If deemed appropriate, a child may be withdrawn from four year old preschool up until the end of term 2 while retaining rights to funded preschool in the following year.
